Re: Anita Bowen v. Fabiani, Cohen & Hall, LLP, et al.
Case No. 24-cv-03322

Dear Judge Rearden,

I am the plaintiff in the above referenced matter-acting *pro-se*. I took over the handling of my case in February 2025. I did not file the Opposition to Defendants' Pre-Answer Motion to Dismiss and did not review it before it was filed. I request a one (1) week extension of the 14-day deadline to file objections to Magistrate Judge Cave's Report and Recommendation. The report was filed April 16, 2025, and the time to submit objections expires Wednesday, April 30, 2025. I request the time be extended to May 7, 2025. I have been recovering from COVID and have not been at full strength. I had hoped to make the April 30, 2025 deadline but cannot do so effectively given the complex nature of the case and my reduced capacity. I am sending this request now because of the Court's rules regarding the timing of requests for extensions. I personally have never requested an adjournment, but my former attorneys did in 2024 in connection with the Defendant's Pre-Answer Motion to Dismiss.

Defendants' Counsel (Heather Griffin) consents to the extension, and an extension should not affect any deadline or date.

Thank you for your consideration.

Respectfully,

Anita Bowen
